

Professional VESA Stand for POS applications: perfect for any point of sale system.

If you are looking for a POS stand, you need **height adjustability, low profile footprint for maximum counter space, and finally a wide range of flexibility.**

This sturdy solution is designed for checkout counters, kiosks, or any point of sales station requiring vertical adjustability and durability.

The vertical adjustability makes this a truly ergonomic solution for touch screen applications for users of all heights in order to deliver the most comfortable viewing position, whilst the durable design ensures a long life display accessory for public environments.

- Single LCD Monitor Adjustable Desk Mount Stand
- Suitable for 10.1" ~ 21.5" Touch Monitors
- Multiple VESA hole pattern 75x75 and 100x100mm
- Sturdy Construction
- Material ABS and Metal Plates
- Built for tough retail environments
- Designed for Touch Screen LCDs
- Reset height in seconds
